- ✓ Inculcation of right method of MCQ writing with many activities

Feedback

At the end of the session participants shared their feedback about the workshop. 95% out of the participants strongly agreed that the workshop lived up to their expectations and all participants found learning very relevant to their MCQ writing strategies. The remarks about

workshop design, all participants were agreed on its objectives, engaging activities throughout the session and its applications for their job. Moreover, most of the teachers added in their feedback that they enjoyed the whole session, its activities, and helped them to rectify their lacking in MCQ writing. As this workshop was based on the one of demanding topic and need of participants, they suggested after conducting workshops on “what is Assessment” and “MCQ Writing” more workshops should be arranged on such topics regarding examination and question paper making. Although, they suggested, venue may be changed as seats were uncomfortable. Regarding the facilitator, the participants appreciated her knowledge commented that she was well-prepared.
