The workshop aimed to accumulate principals, faculty members from different departments of Sohail University and facilitated with interactive session. The facilitator, Dr. Arshia involved all participants, made session interesting with activities along with different tasks and provided knowledge of making a lecture productive.

Main objectives of this workshop are under:

- ✓ Understanding briefly about lecture and its strengths and weaknesses
- ✓ Structure and parts of a lecture
- ✓ Delivery of lecture and presentation skills

- ✓ Interactive lecture strategies
- ✓ Audio visual aids and their importance
- ✓ Importance of students' feedback

### **Feedback of Participants**

At the conclusion of the session, participants shared their feedback about the workshop. All attendees unanimously agreed that the workshop exceeded their expectations, and they found the content highly relevant to their daily lecture strategies. In terms of workshop design, participants found the objectives closely aligned with their needs and appreciated the engaging activities throughout the session. Furthermore, an overwhelming 97% of teachers mentioned in their feedback that they acquired new skills that would enhance the interactivity and appeal of their lectures. Participants expressed satisfaction with the well-managed three-hour session, which comprehensively covered fundamental lecture concepts and provided valuable tips for preparing lecture slides. Suggestions were made to extend the workshop series on this topic and to include junior faculty members. However, participants noted discomfort with the venue's seating arrangements and recommended considering an alternate location. Regarding the facilitator, participants praised her expertise and appreciated the overall organization of the session.

### **Highlights of the session:**
